# The first page of the presentation

- Here's a bullet point
  - The second bullet point is here
  - A third bullet point might appear here
    - The fourth bullet point of this amazing list

# Fonts

- The College design manual states *Times New Roman* and *Calibri* to be used.
  - Could have used “Times Roman”, but that makes “*v*” look like the greek “*ν*” in math mode.
  - *Calibri* is awkward to use with pdf<sub>l</sub>atex
- Default fonts are therefore *Computer Modern*
- A change might be in order for a later version

Math is typeset like this:

$$\begin{aligned} -\frac{\partial}{\partial x}(vp) + \frac{1}{m} \frac{\partial}{\partial v} \left[ \left( \frac{\partial U_T}{\partial x} + bv - F_s \right) p \right] \\ + \frac{1}{R} \frac{\partial}{\partial q} \left( \frac{\partial U_T}{\partial q} p \right) + \frac{S_a}{2} \frac{\partial^2 p}{\partial v^2} = 0 \end{aligned}$$
